

INTERNATIONAL AESTHETIC AND COSMETIC CENTER

November 13, 2012

DR. KRAKOVSKY OF THE INTERNATIONAL AESTHETIC AND COSMETIC CENTER WILL SHARE HIS EXPERTISE WITH OVERSEAS COLLEAGUES

San Diego, California – The International Aesthetic and Cosmetic Center (IACC) announced that Dr. Alexander Krakovsky will be traveling to Dubai, United Arab Emirates to share his expertise in Cosmetic and Aesthetic surgery. For ten days, between December 5th and December 15th, 2012 Dr. Krakovsky will be performing liposuction and other cosmetic surgeries at the Sharjah Corniche Hospital. Superb quality of aesthetic and cosmetic care would be delivered to all patients by Dr. Alexander Krakovsky from day one of his practical work in UAE.

Dr. Krakovsky is a world renowned surgeon, educator, and inventor in Aesthetic, Plastic and Cosmetic procedures and holds medical licenses in both United States and United Arab Emirates. Dr. Krakovsky's medical practice is focused on performing male and female aesthetic/plastic/cosmetic procedures and surgeries, and educating physicians around the world. Dr. Krakovsky is a recipient of many prestigious awards, including:

- One of the 100 Best Cosmetic Surgeons of the Millennium in 2005
- One of the 100 Best Cosmetic Surgeons in the World in 2008.
- In both 2009 and 2010, he was awarded a certificate of recognition as one of America's Most Compassionate Doctors.
- In 2010, he also received the Patients' Choice Award and was selected as one of California's Favorite Physicians.
- In 2011, Dr. Krakovsky received the Leading Health Professionals in the World award.
- In 2012 he was elected to the Hall of Fame for Distinguished Accomplishments in Plastic Surgery. Later that same year, he was named Medical Education Man of the Year.

Procedures in which Dr. Krakovsky specializes include traditional and modern liposculpture techniques using LASER® and VASER® technology, surgical procedures for the overweight including traditional and modified abdominoplasty with and without liposuction, body contouring after major weight loss for men and women, breast augmentation for women and breast reduction for men (gynecomastia treatment), injectable cosmetic treatments such as sclerotherapy for varicose vein treatment, botulinum toxin (Botox) for wrinkle treatment, fillers for face and body rejuvenation, male enhancement surgery, and female rejuvenation procedures that include, but are not limited to, the "mommy makeover" that allows a woman to regain a shapely body after multiple childbirths.

SHARJAH CORNICHE HOSPITAL is located in the picturesque settings of Buhairah Corniche with State of the Art Theatres, polyclinic and high end equipment. The Hospital recruits highly skilled surgeons, who implement recent advances in different surgical fields. Buharian Corniche hospital is considered one of the best medical facilities in UAE and offers full range of services and provides exceptional care and peace of minds for patients and their families.

The mission of The International Aesthetic and Cosmetic Center is a practical application of extensive medical knowledge and surgical experience of its members to improving physical appearances of men and women. The International Aesthetic and Cosmetic Center is located in a beautiful La Jolla, CA.
